GEARSURE EQUIPMENT INSURANCE PROPOSAL

Your Duty of Disclosure

Before you enter into an insurance contract, you have a duty to tell us anything that you know, or could reasonably be expected to know, may affect our decision to insure you and on what terms.

You have this duty until we agree to insure you.

You have the same duty before you renew, extend, vary or reinstate an insurance contract.

What you do not need to tell us

You do not need to tell us anything that:

- Reduces the risk we insure you for; or
- Is common knowledge; or
- We know or should know as an insurer; or
- We waive your duty to tell us about.

If you do not tell us something

If you do not tell us anything you are required to, we may cancel your contract or reduce the amount we will pay you if you make a claim, or both. If your failure to tell us is fraudulent, we may refuse to pay a claim and treat the contract as if it never existed.

Subrogation

You may prejudice your rights with regard to a claim if, without prior agreement from the Insurer, you make agreement with a third party that will prevent the Insurer from recovering the loss from that, or another party.

Your policy contains provisions that either exclude the Insurer from liability, or reduce their liability, if you have entered into any agreements that exclude your rights to recover damages from another party in relation to any loss, damage or destruction which would allow you to sustain a claim under this policy.

Binder Warning

In arranging this policy we are acting under a binding underwriting authority from the underwriter, Chubb Insurance Australia Limited. In that capacity we act as agents for Chubb.
